Release Date – **July 6th, 2010**

Welcome back to **BLAKTROPOLIS**. The futuristic city of Soul and Sound where the residents work at the city's central core transmuting emotions into electromagnetic energy. Once again within vol. 2 we find a wide tapestry of sound. Along for this trip you will find many familiar faces from **BLAKTROPOLIS vol. 1** accompanied by a fresh set of contributions from 17 year-old prodigy **Shen-7, Damon Bell, Lady Blacktronika, and DJ Cecil**. Compiled by AYBEE these songs stay true to the Deepblak creed of Soul Sonic Freedom. We hope that the rhythms of BLAKTROPOLIS 2 move your soul along with you feet.
